

THE WHITEFIELD POST

16.06.2023

Page 1

In the week where we welcomed our new Reception children for September 2023 in to our school, my own child finishes high school. She was two years old when I started here and I know some of you have lived her 12 years of school with me! I had a lovely email yesterday from a mum who told me her son is finishing school, like Milly, and what he is going to be doing in September. Let us know what your Y11 Whitefield children (and older ones) are going to do next!

THEME FOR THE WEEKS

On Monday next week we will be talking about travel and how in ten years, scientists think we can travel from London to Sydney in two hours by going via space! Our question will be 'how has travel changed our lives?' and we will be focusing on the British Value of mutual tolerance and respect through our travel experiences and meeting people from different countries and cultures. Talk to your children this weekend about how you used to travel to school, to work, on holiday when you were their age.

SUMMER FAIR 2023!

We are all really looking forward to our event of the year, The Friends of Whitefield Summer Fair which takes place on Friday next week from 5pm—8pm.

The arena timings will be coming out early next week and we will have performances from our singing club, the guitar group and of course the final of Whitefield's Got Talent!

WHITEFIELD'S GOT TALENT AUDITIONS

Year 3 and 5 have auditioned today and on Monday it is Y6's auditions and on Tuesday Y2 and Y4. Anyone with a drumming audition, Adam will be helping you audition on Wednesday.

Auditions are in the library at lunchtime—the children have their dinner first then come.

Make sure you are prepared children!

We can't wait to see all your talents!
